Hi Don, sorry for the delay in responding. **Ex. 6 Personal Privacy (PP)** The letter looks fine and is similar to the one we sent the Corps, which I've attached as an FYI.

Dru,

Jennifer Wigal asked me to run this by you and our DOJ. Could you take a look at the attached letter and our draft response, and let me know if it looks ok to you?

Thank you,
Don

Heidi

I received the attached letter from the Corps a few weeks ago (my apologies for letting it get buried!) requesting a status update on its applications for Bonneville and John Day.

My first assumption is that you would be the best person to draft a response. If you don't have the information needed to respond, let me know and we'll figure out an alternate strategy.

FYI for everyone else.

Thanks,
Jennifer
